

Qualified and motivated staff are paramount to the success of itelio GmbH.

We encourage competence, creativity, personal responsibility and commitment and we expect our employees to rank among the best in business.

Job Profile

Software Developer/ Software Architect (m/f)

ABOUT ITELIO GMBH

We are the manufacturer of the Docusnap IT documentation software, with more than 2,500 international customers, providing a comprehensive solution for the optimum documentation of IT environments. Since we have grown strongly in recent years, our staff has now reached a count of about 50. We are seeking a software developer/application developer who would like to join our team immediately. By bringing in your ideas and expertise to the design, development and testing you will be able to vastly contribute to the further development of our software.

YOUR ROLE

- As an integral part in our international team, you will help to develop our own software solution.
- You will create web applications based on ASP.NET, HTML5, CSS, JavaScript, and MS SQL Server.
- You will create web interfaces for our software product.

SKILLS / REQUIREMENTS

- Graduated in (business) information systems or similarly educated. Additionally, you should have professional experience as a web developer.
- Experience with ASP.NET (VB.NET or C#).
- Knowledge of version and code management and confidence in using the Visual Studio development environment.
- Ability to write SQL queries in MS SQL Server.
- Independent and target-oriented working style.
- Strong analytical skills.
- Excellent command of spoken and written German and English.
- Dedicated to maintaining high quality standards of your work.
- Strong team-player, excellent communication skills.

OUR OFFER TO YOU

- A challenging job in a highly efficient company
- Open and trusting corporate culture
- Performance-related pay and a highly attractive benefits package
- We'll help you achieve your personal and professional career objectives
- A dynamic, international team with flat hierarchies
- Special working environment with great recreational value
- Help with apartment search, relocation, and when dealing with the authorities

PLEASE SEND YOUR APPLICATION COMPLETE WITH YOUR CV TO:

Would you like to know more about our company and our region?

Company

Since our company was founded in 1997, owner-operated itelio GmbH has proven that it rightly ranks among the leading IT service providers located south of Munich. In our core competence, i.e. **IT services**, we offer our customers individual solutions for the most diverse requirements. Our range of services comprises planning and conceptual design, implementation, delivery, and physical installation of IT systems, as well as their operation, including maintenance and support.

In the field of **IT documentation**, itelio GmbH has set standards with the **Docusnap** software solution. The software is an internationally recognized, proven tool for the holistic documentation of IT infrastructures, their analysis, and the management of software licenses used.

The Team

In recent years, the number of employees at itelio GmbH has increased considerably. By now, we were able to secure the skills of about **50 experts from various nations**. While knowledge is the main criteria when choosing our staff, we also value personal facts such as determination, commitment, personal responsibility and team integration. The success of itelio GmbH is fueled by our competent and motivated team.

What is it that makes us so special?

Working at itelio involves continuous professional **development** in a welcoming family atmosphere. Innovative, **flexible and competitive salary** and **benefits packages** as well as various **career opportunities** create a strong bond between our employees and the company.

Working in Kiefersfelden and living where others go for their holidays.

Kiefersfelden is located in Southern Bavaria, just at the border to Austria, near **Kufstein/Tyrol**. Living here is a real privilege:

The region offers many recreational highlights. Skiers and snowboarders will love the **Wilder Kaiser skiing area** with more than 90 ski-lifts and 250 kilometers of prepared runs.

In the summer, the mountains offer excellent hiking and climbing opportunities. What is more, there

are several **clean water lakes to swim** in, **bike trails** in the whole area, and **leisure parks** in the region.

Families enjoy a very **child-friendly environment** with no problems in finding professional childcare.

SHOPPING AND FUN

For shopping trips and for an evening out, attractive towns are within reach. Only a few kilometers away, in Kufstein with its many students, you will find a **lively nightlife**. The same is true for **Rosenheim**, the cultural and economic center of south-east Bavaria.

The cities of **Munich, Salzburg, and Innsbruck** with their many places of interest can be reached within an hour's drive.

An absolute **highlight** is the fact that Italy is so close: **Lake Garda** is only a few hours away and even the **seaside** is in easy reach for a long weekend or holiday.
